If you log into GRLContent and go straight to the publication, you may need to click the **Menu** button and then click on the **Home** link.

Note the menu button and dropdown will look different in each publication. This is just an example of one menu button.

3

Purchase a code

Select the “**Click here to purchase**” button to obtain an access code to the new title.

4

Select your publication

Choose your institution and publication. Select “**Next**”.

5

Select your section

You may need to select a section if there are multiple sections using the publication at your school. It is vital that you select the correct section, as **any scores you obtain are tied to the section you select.**

> Choose Your Section
